MEDIA RELEASE

PBSA Distributes Cash Dividend of Rp180,000,000,000 or Rp60 per Share in 2025 and Targets Revenue of Rp1.7 Trillion in 2026

Jakarta, June 30, 2026 – PT Paramita Bangun Sarana Tbk (IDX: PBSA) reaffirmed its commitment to maintaining sustainable business growth after recording solid financial performance throughout the 2025 fiscal year. At the Annual General Meeting of Shareholders (AGMS) for the 2025 Fiscal Year held today, shareholders approved all meeting agenda items, followed by the 2026 Annual Public Expose to present the Company's performance and future business strategy direction.

Throughout the 2025 fiscal year, the Company recorded **revenue of Rp1.591 trillion**, an increase of **37.85%** compared with the previous year's Rp1.154 trillion. This growth also drove an increase in **profit for the year to Rp320.08 billion**, up approximately **48.8%** compared with Rp215.04 billion in 2024. In terms of profitability, the Company also recorded an increase in **Return on Assets (ROA) to 22.51%** and **Return on Equity (ROE) to 34.45%**, reflecting the Company's ability to manage assets and capital effectively to generate sustainable growth.

At the AGMS, shareholders approved the Annual Report and ratified the Consolidated Financial Statements for the 2025 Fiscal Year, and determined the appropriation of the Company's net profit, including the allocation of a cash dividend of **Rp180,000,000,000** or **Rp60 per share**, equivalent to **56.24%** of the Company's total net profit for the year. In addition, shareholders also approved the appointment of a Public Accountant and/or Public Accounting Firm to audit the Financial Statements for the 2026 Fiscal Year, granted authority to the Board of Commissioners to determine the remuneration of the Board of Directors and Board of Commissioners, and approved amendments to Article 3 of the Company's Articles of Association concerning the Purpose and Objectives as well as Business Activities in order to align with the 2025 Indonesian Standard Industrial Classification (KBLI).

President Director of PT Paramita Bangun Sarana Tbk, **Vincentius Susanto**, said that the Company's achievements in 2025 were the result of consistency in implementing a business strategy focused on project quality, operational discipline, and the application of good corporate governance.

"The performance growth we achieved in 2025 was the result of discipline in implementing our business strategy, measured risk management, and the commitment of all Company personnel to maintaining the quality of project execution. Going forward, we will continue to strengthen our business fundamentals by improving the quality of project execution, optimizing resources, and developing business opportunities that provide sustainable added value for all shareholders," Susanto stated when met ahead of the Public Expose.

Throughout 2025, the Company strengthened its project portfolio through various strategic projects in the industrial sector, including Pulp & Paper projects in South Sumatra and Karawang, West Java. These projects further strengthened the Company's position as a construction company with expertise in developing industrial facilities and supporting infrastructure for the manufacturing sector.

In addition to strengthening operational performance, the Company continued to improve the quality of corporate governance. In 2025, PBSA obtained **ISO 9001:2015** certification for its Quality Management System and **ISO 37001:2016** certification for its Anti-Bribery Management System. The Company also continued to develop its subsidiary, **PT Plaza Paramita Sejahtera**, as part of the optimization of corporate assets.

As a reflection of its confidence in the Company's long-term prospects and commitment to enhancing shareholder value, PBSA also completed a **share buyback program** during the February–March 2026 period with a maximum fund allocation of **Rp100 billion**, entirely sourced from the Company's internal cash without affecting its financial condition or operational liquidity.

Through the 2026 Annual Public Expose, the Company conveyed its optimism regarding the prospects of the national construction industry, particularly the development of industrial facilities driven by continued investment in resource-based manufacturing sectors.

*"For 2026, the Company targets **revenue of approximately Rp1.7 trillion** with **pre-tax operating profit of approximately Rp260 billion**. This target will be achieved through strengthening the quality of project execution, improving operational efficiency, optimizing working capital management, and applying selectivity in securing new projects with measured risk profiles and healthy margins,"* Susanto stated after the closing of the Public Expose.

The Company will also continue to strengthen its business fundamentals through prudent cash flow management, improved effectiveness in managing trade receivables, optimization of company resources, and the development of strategic projects capable of creating long-term added value for all shareholders.

With stronger financial fundamentals, a continually expanding project portfolio, improved corporate governance, and a sustainability-oriented business strategy, PBSA is optimistic that it can maintain growth momentum and further strengthen its position as one of Indonesia's national construction companies focused on the development of industrial facilities.

PT Paramita Bangun Sarana Tbk (IDX: PBSA) is a national construction services company with more than two decades of experience in the development of buildings, industrial facilities, civil works, mechanical and electrical works, and various industrial supporting infrastructure projects. The Company has a track record in handling projects in processing industries, manufacturing, energy, and other industrial facilities. By prioritizing quality, occupational safety, innovation, and good corporate governance, PBSA remains committed to creating long-term value for shareholders, customers, and all stakeholders.
